

Club Information

North Oakland Volleyball Association (SuperNOVA) is competitive youth program located in the Clarkston, MI area and is directed at those players looking to compete at a level beyond middle and high school. SuperNOVA competes in the Michigan AAU (www.mjvba.com) and USAV (www.usavolleyball.org) tournaments. Our season starts in January for High School Aged Players (15U-18U) and from mid-March for Middle School Ages Players (12U-14U) and runs through early/mid June. Age groups range from 12 and under to 18 and under depending upon player turnout. Practices are typically two hours in length, two times per week with approximately 7-8 tournaments during the season. Coaches may request players perform "outside" physical activity to improve their physical conditioning in order to maximize the players' potential and competitiveness during the season. Finally, volleyball is fun. We strive to make the experience fun and challenging. Players learn their best when the coaches, staff and parent volunteers make the experience fun and rewarding.

Location

SuperNOVA practices at Sashabaw Middle School, 5565 Pine Knob Road, Clarkston, MI 48346

Mission Statement

The mission of SuperNOVA is to provide an atmosphere of competitiveness, fun, athleticism, and learning within the sport of volleyball.
